## AGIOS SPYRIDON

Agios Spyridon is a peaceful, natural location on Corfu's northernmost tip, with stunning views to the sea. There are many local beaches and towns to visit.

## THE VILLA

*Our Villa Rentals*

Villa Seashore is located on Corfu's northernmost tip. Its location deep among an olive grove provides excellent solitude and exquisite coastline views, while also being only a short drive from the popular villages of Kassiopi and Acharavi.

The home is a two-story house made of stone found on the property that blends in well with the surroundings. The house's two en-suite double bedrooms are on the first floor. Both are similarly spacious and pleasant, and because the en-suite facilities are on a different level than the main living room, the privacy provided by them is reinforced. In addition, each bedroom has a balcony with views of the swimming pool and the sea.
