SINARADES

Sinarades is a large and old village in the west part of Corfu, above the beach of Agios Gordios. The village is like an open-air museum with its traditional stone buildings and old churches. Walking in its narrow alleys you will feel the authentic spirit of this Ionian island.

THE VILLAS

Our Villa Rentals

Comprises of three newly built, modern two bedroom villas, each with private pools set amongst a 40 acre plot of stunning natural beauty with far reaching 180 degree views across the Ionian, and beautiful beaches of Agios Giordios and Glyfada. Walking distance from both the large village of Sinarades and local beaches.

These superbly designed properties are wonderfully appointed with slick internal spaces and energy efficient build concepts with beautifully landscaped natural outdoor spaces. Each Villa offers modern living with breath taking sea views and private pool within a truly magnificent setting.
