## THE VILLA

*Our Villa Rentals*

The views are sublime, the house is extraordinary and the infinity pool spills out into the view beyond and the beach is minutes away; welcome to Villa Dianthus. This elegant and much-loved three-bedroom villa sleeps up to 6 adults and is one of the handful of beautifully designed villas on the Kardaki Estate, a forty-acre sea of olive trees in North-East Corfu. The house has an en-suite king size bedroom and a twin bedroom either side of the light, airy living space with a self-contained suite adjacent to the pool with king-size bed plus a further day-bed suitable for a child (external access only).

The house is designed to merge inside and out with delicate cool pink fabrics and contemporary finishes creating beautiful contrasts with the solid age-old rocks that make-up parts of the landscaped gardens. Wide terraces designed for maximum outside living encircle the house and the infinity pool creates a glorious focal point for the view beyond. For larger groups, it is possible to rent Villa Dianthus' sister property, Villa Rodo, which sleeps up to 10 guests and is linked to Villa Dianthus through the garden via a path and gate.
